

**Saturday, September 20, 2014 – Friday, September 26, 2014**

*Note: Information in this update is intended to highlight the week's major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: <http://www.nrmsc.usgs.gov/products/IGBST>*

### **Verified Grizzly Bear Killed Livestock**

- Verified three (3) calves and one (1) yearling killed or injured by grizzly bears on Forest Service grazing allotments in the Pinedale Region.

### **Research and Monitoring**

- Nothing to report.

### **Bear Management (Captures, Relocations, and Removals)**

- Captured and removed one sub-adult female grizzly bear from the Cody area for habituation to human activities. She was placed in the Pocatello Zoo in Idaho.

### **Law Enforcement and Related Activities**

- Assisted with several ongoing investigations related to human/grizzly bear encounters throughout northwest Wyoming.

### **Outreach and Education**

- Presented educational bear information to NorthWest College students.
- Gave multiple bear safety presentations to Lovell Elementary School students.
